

ALTAR KNIGHTS

Patron saint-St. John Berchmans

An alter server is one who has committed himself to knowing, loving, and serving Christ, presence in the Eucharist, and by so doing coming close to him. The alter server ministry can also be likened to the Levites of old who were called by God to serve Aaron and his sons (the priests) (cf. Num: 3vs5-9)

To be an alter server: it is open to young boys and girls who are between the ages of 11 and 19 years and have received the sacrament of Baptism and Holy Eucharist. And can also be willing to serve at mass timings that may not be convenient for him, and be able to commit to the activities, practice and monthly meetings.

MEETING DAYS

Every Saturdays and Sundays by 3pm.
