Patron Saint: St. John the Baptist

Saint John the Baptist is our Patron Saint. He was the Forerunner of our Lord Jesus Christ meaning he prepared the way for the coming of Christ's Ministry. In fact, he prepared the ground for the smooth landing and take-off of Jesus Christ's Ministry.

That our members at large may be fully and happily integrated, participate actively and grow spiritually, morally and socially as it is epitomized in the Holy Family of Nazareth where Jesus, Mary, and Joseph were present and in union with God the Father. God the Son and God the Holy Spirit as in perfect synergy with the Holy Angels and Saints of God.

- **VISION:** That our members would fully maximize their gifts and fan into flame their spiritual gifts doing exploits here on earth, spreading the Gospel of our Lord Jesus far and wide. Winning souls for God in simple and extraordinary ways and brining the joy of the kingdom of God to bare even in the remotest places where we find ourselves.
