

BOARD OF CHURCH WARDEN

The board of church warden is one of the four liturgical functionaries of the church. We take care of the parishioners at all liturgical functions. Offertory collection and getting the total attendance at all masses are also part of our duties. We are ministers of hospitality.

The Board does not adopt a uniform for formal dressing but enjoins all its members to be properly, decently and neatly dressed. However, it adopts the use of a stole at Sunday masses and at all other big ceremonies of the church. The stole is a visible symbol of the membership of the Board authority of functioning as Wardens.

Membership of the Board is open to all practicing Catholics, Male and Female, within the Parish.
