

## CHILDREN LITURGY MINISTRY

Children Liturgy Ministry is an integral part of the Liturgical and Pastoral activities of the church, which is focused on the formation of the parish children between the ages of 2 and 12 years.

Our first inaugural liturgical mass was celebrated on the 9<sup>th</sup> of February 2008 with the grace of over 300 children in attendance, which brought joy to the children as they were able to participate in the Holy Mass and relief to the parents as they were able to participate during the adult mass.
