

ENVIRONMENTAL/MAINTENANCE COMMITTEE

They handles the upkeep of a neat hygienic Parish environment and carries out minor maintenance works/repairs on parish facilities. They are also responsible for the ambient greenery in our Surroundings, pest control, and the management of our convenience.

Who We Need?

Volunteers whose help can always keep a keen eye on the parish property and environs. Supervise Parish cleaning and maintenance staff, and politely inform Parishioners on the need to always keep our church clean by avoiding littering and any other unhygienic practices.
