

## JUSTICE PEACE AND INTEGRITY OF CREATION (JPIC)

Justice Peace and Integrity of Creation (JPIC) is a Catholic volunteer organization set up with the goals of promoting stewardship and addressing social issues which affect the community as a whole particularly the poor and maligned. Our mission is to spread Christ's message of social justice and stewardship of creation through activism and education. Our focus is on providing legal counsel on domestic issues which may be prevalent in our homes, protection of our environment as well as other ancillary issues.
