

ST. RITA OF CASCIA

MISSION:

we the people of God having come from many backgrounds, we believe in Jesus Christ and are nourished by his word and the Eucharist bread. We are empowered by the Holy Spirit as prayerful stewards, to build the kingdom of God.

VISION:

Imitating St. Rita in her humility, simplicity, forgiveness, peace, service, suffering, love, faith, and hope.

Be desirous of God and come to him with contrite and loving hearts; give him sufficient praise and magnify his name in our lives.

We then can apply the words of saint Augustine to St. Rita "... they intercede for us. Their intercession will not cease until our lamenting has ended. However, when our lamenting will be over, we all, in only one voice, one people, one homeland, will be consoled, and there will be thousands of us, together with angels crying hosanna, the choirs of heavenly powers, in the city of the living" (Ps. 85:24)
